## **Year 5 (Group 2) Spellings – Term 3**

Dear Parents/Carers,

Here are the spellings for each week in Term 3 for Group 2.

The children are expected to learn the spellings and then write each word independently into a sentence. They can complete this on any paper, computer, and chalkboard or anyway they would enjoy. Your child is welcome to send into school any examples of their spelling work for display but we will also keep a record of the children's ability in school. The weekly spellings will be displayed in class, so that your child has time to practice them at school.

These words are taken from the National Curriculum with the aim to correctly spell them all consistently within their work.

Here are some examples of ways to learn the words:

- Discuss where they have seen or heard the word before.
- Find them in books, magazines, dictionaries or when 'out and about'.
- Making up rhymes or ways of remembering the spelling rules.
- Use magnetic letters, play dough, pipe cleaners, and paint or felt tips to practice.
- Make up a silly sentence using each letter
- Count the syllables
- Say it silly
- Word detective- can you spot any other words within the word?

There will be 10 – 12 spellings each week, which will be tested on a Friday morning.

If you have any questions, please contact your child's class teacher.

Thank you for your support,

Year 5 Team

**Year 5 - Term 3 - Group 2 - Spellings:**

*\*Please note some spellings may be repeated over multiple weeks.*
